Circular Textiles.
Resilient Future.

RETRAKT

OUR MOTIVATION

2.3
Billion
tons of waste worldwide

120
Million
tons of textile waste

1
Percent
textile recycling

OUR CHALLENGE

New EU Legislation
Increasing regulatory requirements

Circular Transformation
From linear to circular economy

OUR APPROACH

Work Science
Resilience Engineering
Resilient Processes & Teams

Compliance Management
Laws & Regulations
Circular Economy & Ecodesign

Digital Platform
Knowledge & Collaboration
Digital Product Passport

Innovation Transfer
Transfer Research
From Science to Practice

Textile Industry Application
Transformation Workshops
Methods & Concepts

OUR SOLUTION

RETRAKT develops a practical approach to enable circular transformation in textile companies while actively engaging employees.

COMPLIANT ∘ **CIRCULAR** ∘ **RESILIENT**
